### APPLICATION/EXAMINATION PROCEDURE

**APPLICANTS MUST SUBMIT:** (1) Completed Application Form (CT-HR-12)  
(2) Supplemental Examination Materials (see instructions below)

In order to be considered for admittance into this examination, you must complete all parts of the examination application (CT-HR-12) detailing how you meet the minimum experience and training requirements stated above AND complete the required supplemental examination materials as detailed below. Applicants who do not submit the required application and supplemental examination materials by the closing date will not be admitted into the examination and will not have the right to appeal this decision. Resumes and/or vitas will not substitute for the required application form or for the required examination materials.

**EXAMINATION INSTRUCTIONS: Section 1.** For each job (maximum of three) which you feel has best prepared you for the job Chemist 1, include a 1-2 page (typed or printed) description detailing your duties and responsibilities. (Applicants serving provisionally or temporarily in the title of Chemist 1 cannot include this as one of the three jobs.) Each job description should begin on a separate page and begin with your job title, company name and location, dates of employment, and number of hours worked per week. This should be followed by a description of your duties and responsibilities organized and formatted around the numbered items that follow. (1) Experience performing qualitative and quantitative chemical and toxicological analyses of organic and inorganic substances. Describe your experience using analytical chemistry techniques and/or calibrating and using instrumentation to identify and determine the concentration of substances. Detail your use of a variety of (simple and complex) analytical chemistry techniques, and indicate whether you worked independently or with guidance. Detail your use of a variety of (simple and complex) instrumentation, and indicate whether you worked independently or with guidance. Include a description of your experience using computers to operate and maintain laboratory instrumentation. Detail your experience performing chemical, biochemical and physical analyses of substances (i.e. drinking water, water samples from swimming pools and bathing beaches, milk, dairy products, sewage, manufacturing/trade wastes, paint, fuel oils, materials used in building or highway construction or maintenance projects, body tissues and fluids, etc.). Be specific about the types of analyses performed, instrumentation used, and substances involved. (2) Experience preparing reports and related documentation. Describe your experience maintaining records of chemical and toxicological analyses and investigations, compiling/tabulating data, preparing charts/summaries, and/or preparing reports. Be specific as to the type, nature and purpose of the documentation that you prepared. (3) Experience with quality assurance and quality control. Describe your experience following laboratory quality assurance and quality control procedures. Detail the quality assurance and quality control activities you have participated in. Include any experience developing or making recommendations on laboratory procedures. **Section 2.** On a separate page, include a list of degrees, certifications, licenses and courses that you have completed which have prepared you for the job. **Important Notes:** (1) Make certain both your application form and your supplemental examination materials are complete and separate documents not referencing the other, as your application form and examination materials may be separated during the scoring process. (2) Examination materials should be clearly marked as such and each page should contain the examination title, exam number and your social security number (do not include your name). (3) Do not include materials other than those requested above. (4) Your examination will only be scored if you meet the minimum experience and training requirements outlined above and your CT-HR-12 and examination materials are completed correctly and submitted together as a package. (5) Mail applications/examination materials to DAS/Human Resources, Room 404, State Office Building, 165 Capitol Avenue, Hartford, Connecticut 06106-1658 (**Secure Fax #860-622-2840**). If faxing materials, keep a copy of your completed application/examination and the fax transmittal receipt for your records. Make certain that your application form and examination materials are complete and transmitted correctly and without error. Incomplete faxes or faxes received blank because pages were faxed upside down will not be accepted. (6) Due to the large number of applications received, we cannot confirm receipt of applications. (7) A separate application/examination package must be submitted for each examination you are applying for. (8) Application/examination package must be date stamped by DAS/Human Resources or postmarked by **JANUARY 28, 2011 for the MARCH 11, 2011 grading date; and by AUGUST 4, 2011 for the SEPTEMBER 15, 2011 grading date.** Applicants must meet the experience and training requirements by the closing date for the exam administration they are applying for.

**FORMS:** Application forms (CT-HR-12) and exam announcements are available from the Department of Administrative Services (<http://www.das.state.ct.us/exam>) or at any one of the Offices of the Connecticut State Job Centers.

(revised October 1, 2010 to replace PLD-1 with CT-HR-12)
